- 1.5 yards of gold fabric
- 3 yards of non-directional fabric
- 63x63" backing
- 63x63" batting
- 360° Circle Cutter (optional)

## Notes

- Finished size: 58"x58"
- WOF=width of fabric
- Use a 1/4" seam allowance

These are the amounts of each piece you will need

# Grace Education

Cut 3 inch tall strips

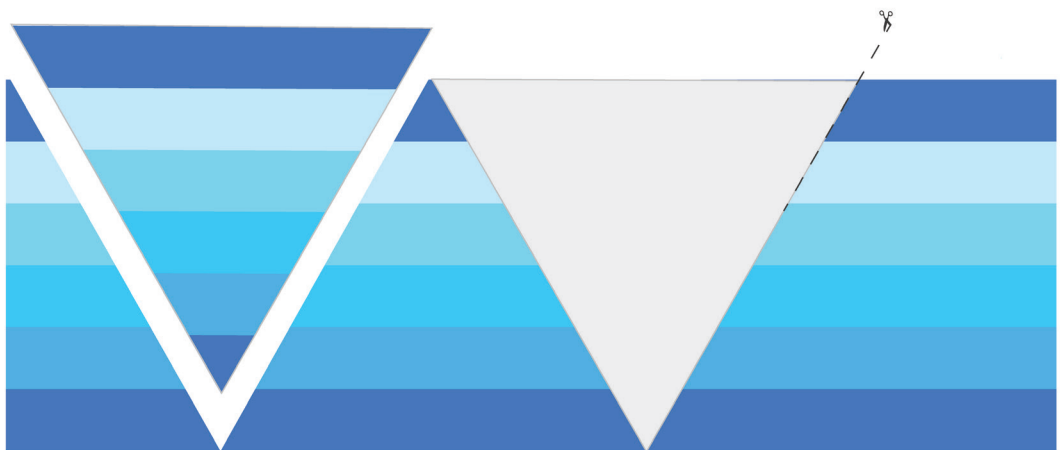

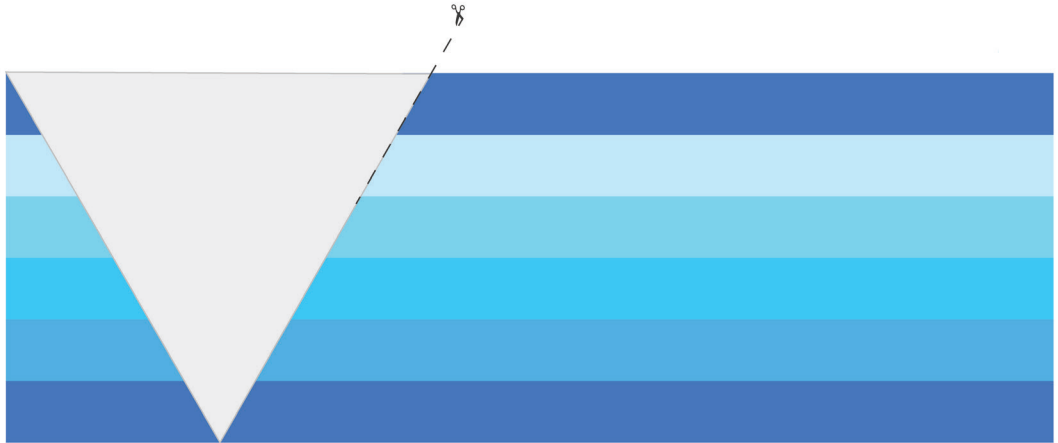

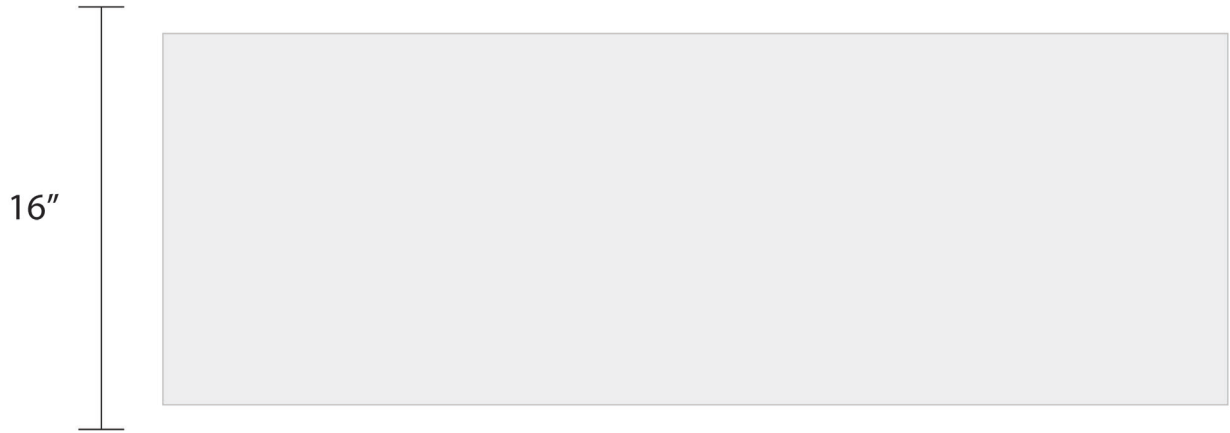

Sew all the strips into one panel

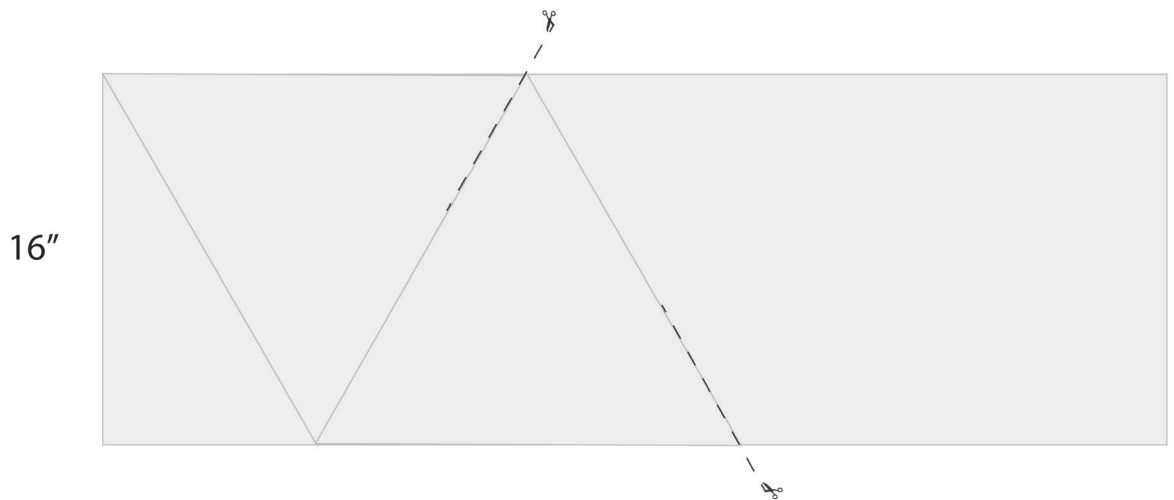

Make a template that is a 17" equilateral triangle

Then cut out the template on your strip panel

Use the same template for your white pieces

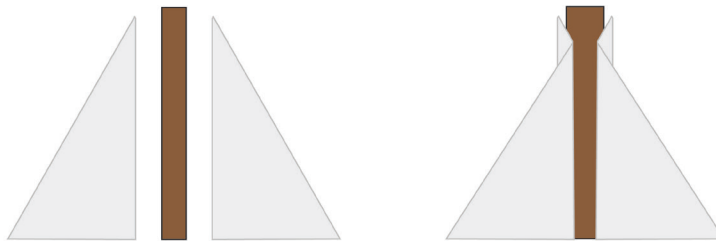

# Grace Education

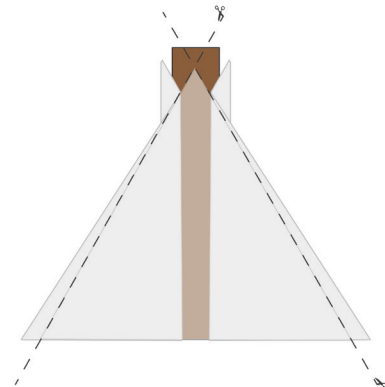

With a 1.5" strip, cut out 6 16.5" strips for the tree trunks

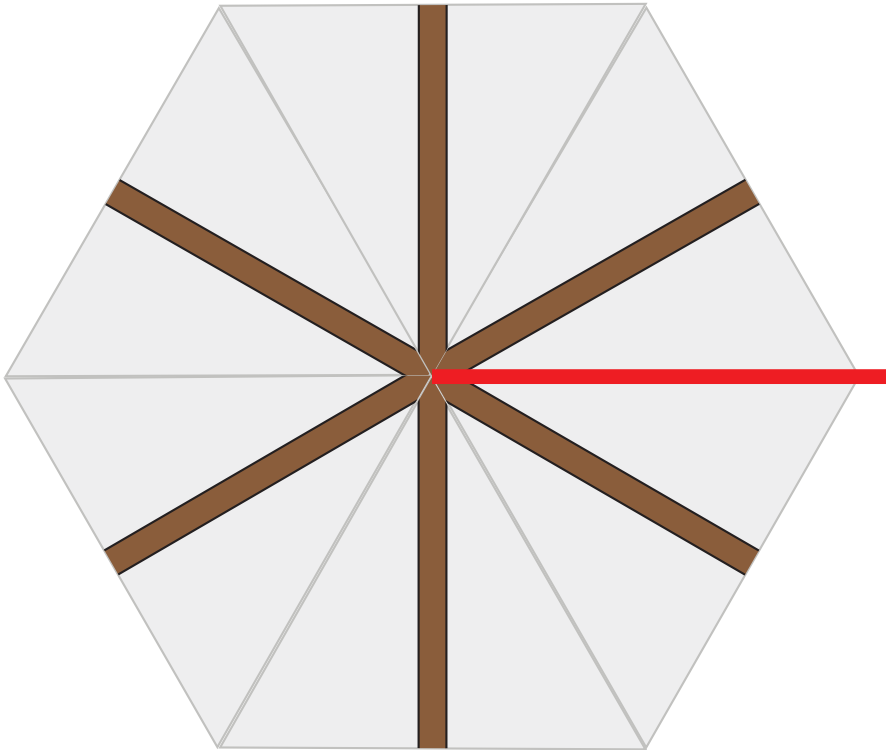

Cut 6 triangles in half and sew one brown strip in each of those 6 pieces.

Use your template to trim the edges off

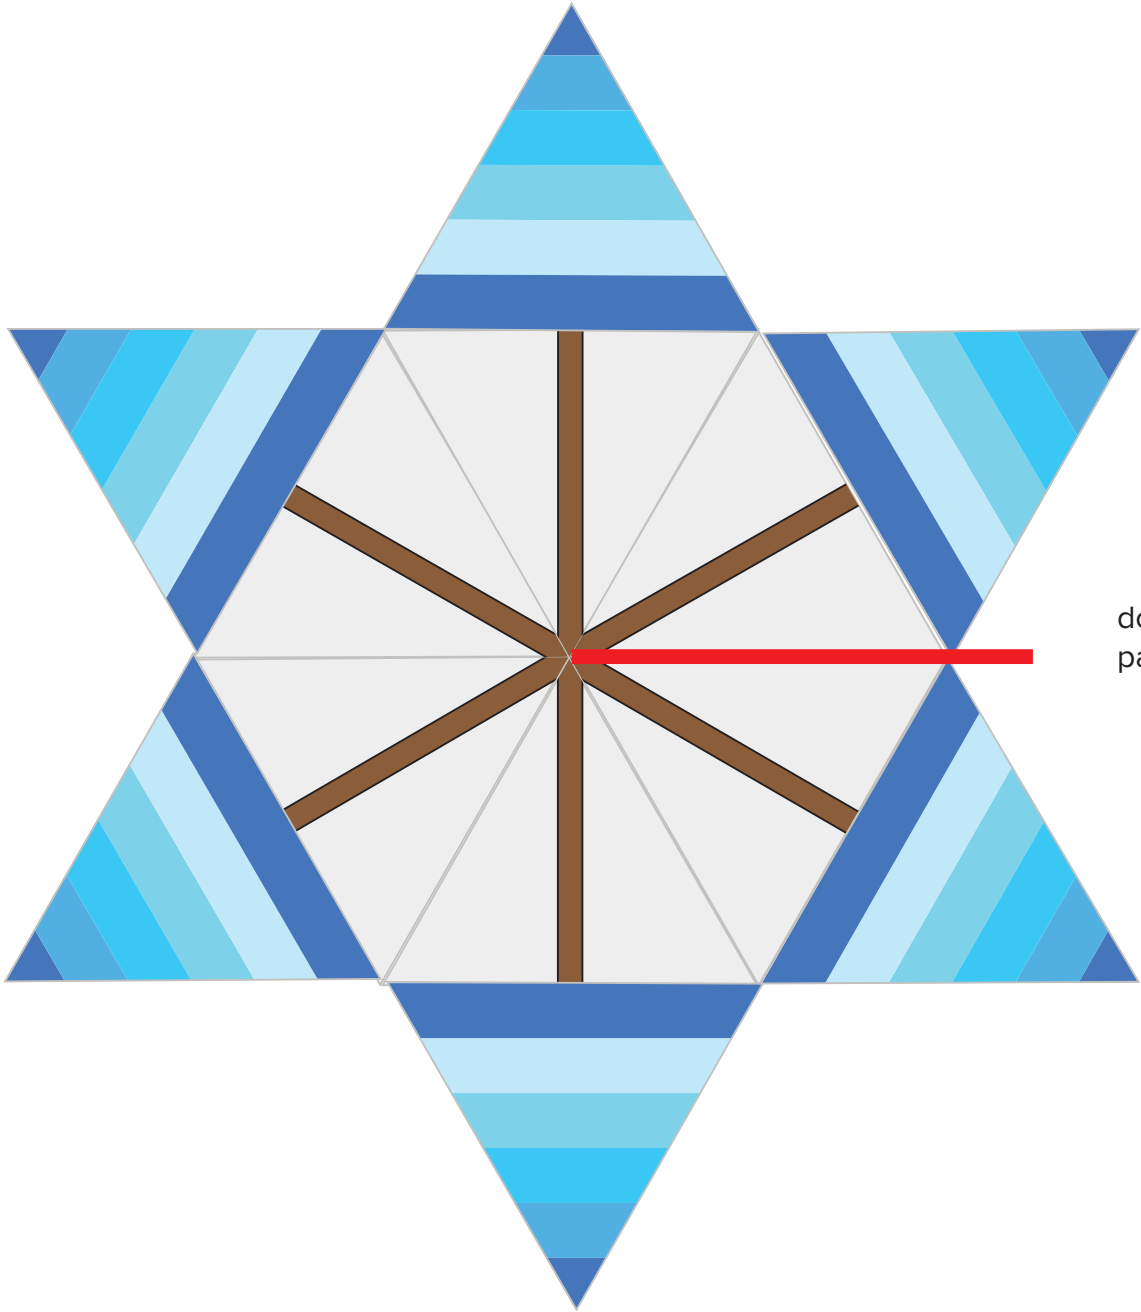

Time to put the whole thing together!

do not sew this  
part together

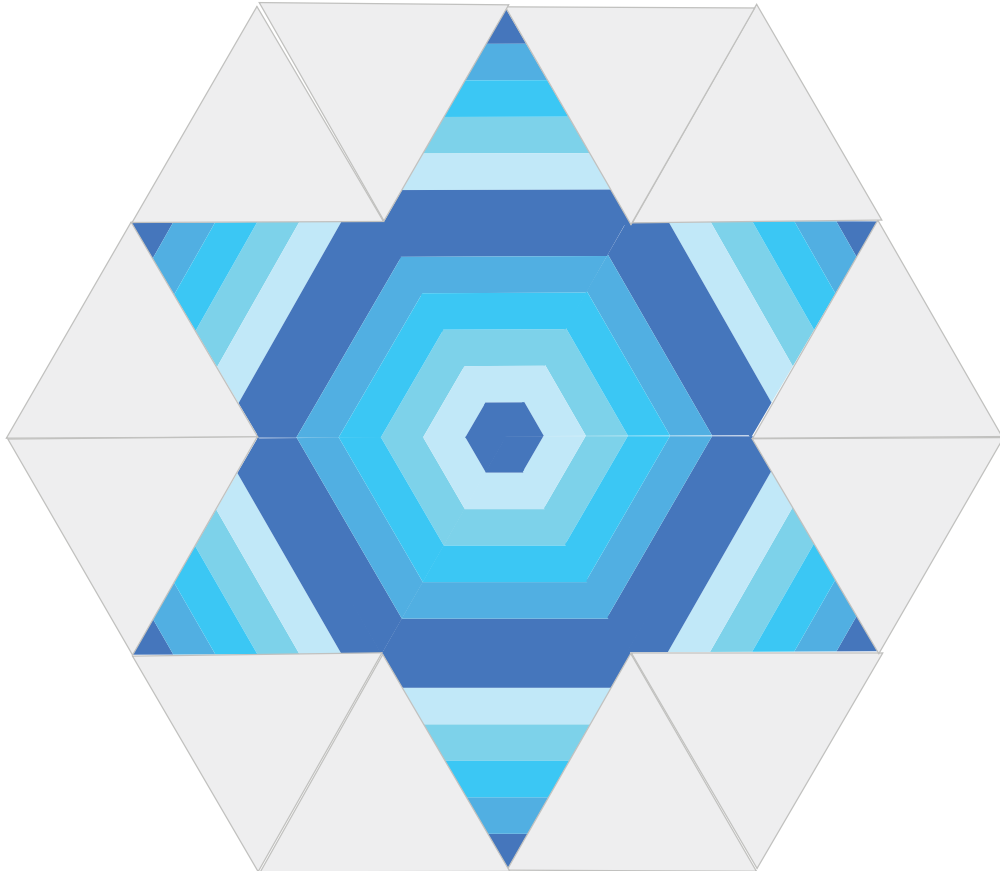

do not sew this  
part together

Ta-da!!!

# Christmas Tree Skirt Variations

This will be the additional amount of triangles you will need for this variation.
